

# Attention Adult Leagues

**New rule effective immediately in an effort to improve our men's leagues!**

**Before your game is to start, referees are to find and recognize team captain. This will be the only person who is allowed to talk to referees during the game disputing a call. If a person, other than the captain, disputes or argues with a call, it will be an automatic technical. A second offense in the same game will result in ejection. Further arguing will result in expulsion from the building entirely. Failure to leave building at this point will result in a call to the Fishers Police Department and a ban from the Fieldhouse Adult Leagues for life.**

**If a captain berates, argues, or cusses at the official, this is grounds for a technical. A second technical will result in ejection, further arguing will result in expulsion from the gym entirely. Failure to leave building at this point will result in a call to the Fishers Police Department and a ban from the Fieldhouse Adult Leagues for life.**

**An ejection is a suspension for the next game and a \$50 fine. A second ejection, in the same league, is expulsion from the league and a \$100 fine. If fines are not paid, the player is not allowed to step onto a court here at the Fieldhouse until done so.**

**There are no exceptions.**
